"If a man write a better book, preach a better sermon, or make a better mouse-trap than his neighbor, though he build his house in the woods, the world will make a beat----EMERSON en path to his door."

Never in the history of the automobile business has the truth of this saying been proved so conclusively as in the SALES of Studebaker Cars in Greater New York (not including Metropolitan District), and over the entire country in the six months ending June 30, 1921. In Greater New York in June alone we sold

### 451 New Studebaker Cars

A comparison between June, 1821, and June, 1920, thew the remarkable increase in rotal orders for Simbelsaker Cars in Greater New York

June, 1921	141 Cars	\$515,675 (10)
June, 1920	4º Cara	19210221
	Increase 1921 over 1920, 269 Cars	\$1124,772.79
	Percentage of Increase 1'dl	1.11

A comparison between the first six months of 1921 and the same period of 1939 shows as in season i les remarkable

First Slx Months 1921	11654 (1664	\$3,515,510.24

The fact that this remarkable increase in SALES is made in a BUYER'S MARKET when the most rigorous inspection and comparison of car values is made by prospective buyers is proof positive that Studebaker Cars offer the highest quality at fair prices.
